Covid-19 Management Policy

We are taking the opportunity to inform our customers that, due to the Covid-19 outbreak, we have been working closely with the local authorities in Greece and our Health & Safety consultants.

As a result, we are ready to implement a customised action plan for each separate department and these will be in accordance with the latest World Health Organization Operational considerations for Covid-19. The action plan covers and is not restricted to the following departments:

- Management
- Reception
- Housekeeping / rooms
- Maintenance
- Restaurants
- Kitchen
- Deliveries and storage
- Animation
- Kids club
- Beach facilities
- pools
- Gym
- Spa
- Shops

The wellbeing of our Guests, staff, contractors and visitor's safety is very important to us and can be reassured that we are taking all the necessary precautions to comply with the National and International regulations as well as the industry guidelines. Once the lock-down period has ended we will be ready to face the new challenge with confidence and responsibility.
